David Martyn is a senior executive and former CEO of multiple companies. Mr. Martyn has personally completed the turnaround of five companies while in an executive capacity.

Martyn & Associates, LLC understands the complexity of managing companies and executing business plans. The company is highly skilled in plan execution and cash management under difficult circumstances.

Martyn & Associates, LLC can provide the plan to return a company to profitability and locate the financing to put the company back on a sound financial footing. We can coach management through the implementation phase of the plan or execute the plan itself if requested to do so. Martyn & Associates, LLC can then monitor performance on an ongoing basis to keep the company on a profitable track into the future.
