Industry Experience

Martyn & Associates, LLC works with manufacturing, value-added, and service companies less than \$100 million in revenue with special emphasis in the \$1-\$25 million revenue range.

We have expertise in almost any manufacturing operation regardless of industry with direct operational experience in the industries listed below.

- Manufacturing – All Industries
- Capital Equipment
- Chemical
- Construction
- Environmental Services
- Food Products
- High Technology
- Laboratory Services
- Printing
- Retail
- Tooling

Direct operational experience includes the executive positions of Director of Manufacturing, Vice President & General Manager, President & Chief Operating Officer, and President & Chief Executive Officer.

We can provide interim executive management while conducting searches for permanent replacement of key personnel as part of the recovery plan for companies.

Martyn & Associates, LLC has provided winddown management and day-to-day operating direction to complete work-in-progress projects as part of controlled shutdowns of companies planning to cease operations.
